CQ Uni Bachelor of Construction

CQUniversity's innovative Bachelor of Construction offers a seamless combination of university theory with the hands-on practical aspects of TAFE, providing you with a practical pathway to a career in the construction and building industry. Available at Mackay and Rockhampton campuses. Your studies combine the core units from within the Certificate III in Carpentry with theoretical units in construction, built environment, management and design, including residential, commercial and complex construction. As a student in this course, you will gain theoretical knowledge in building and construction and will be provided with opportunities to apply this knowledge throughout scheduled work placements and hands-on class activities. Upon successful completion of the Bachelor of Construction, along with the relevant work experience, you will be eligible to apply for an Open Class Builder's Licence in Queensland with the Queensland Building and Construction Commission (QBCC). Alternatively, on completion of the first one-and-a-half years you can choose to exit with the Diploma of Construction and along with the required relevant industry experience, you may be eligible to apply for a Low Rise Building Licence recognised in Queensland by the QBCC. <https://www.cqu.edu.au/courses-and-programs/study-areas/engineering-trades/undergraduate/bachelor-of-construction>

There are flexible training options available across the Sunshine Coast and Wide Bay region, including online study

School Leavers Guide

Leaving school is an exciting time of life but it can also be overwhelming. There are so many important choices to make and it can be hard for students to know where to start.

This is why the TAFE at School team created the School Leavers' Guide! The guide discusses some of the myths and misconceptions about TAFE. It also has information on funding and options that are available for Year 12 graduates.

These guides have been sent out to all our East Coast schools but you can also check out our downloadable version: [School Leavers Guide](#)

Fee Free Training for Year 12

School students can start training with us in 2017 for *free if they graduated from Year 12 in 2016 in Queensland.

To be eligible for fee-free training, Year 12 graduates need to commence training in a high priority qualification with a pre-approved training provider within the calendar year following the completion of Year 12.

Find out more about Fee-free training for [Year 12 Graduates on the Training website](#) or view our fee free [training information flyer](#).

Pathways to University

TAFE can help students gain entry into a Bachelor degree.

Advantages include:

- Entering a university degree program after completing a diploma without reapplying through QTAC
- Enrolling in a dual award program that allows you to study concurrently at TAFE and at a university.
- Acquiring multiple qualifications at diploma and degree levels.
