University Exchange Programs

Most universities offer exchange programs, which involve already enrolled students studying for a half or a whole year at a partner institution of their own university. Study abroad programs are slightly different, and do not involve studying at a partner institution; this means students sometimes need to contribute extra funds towards their tuition fees. As an alternative to exchange, some universities also offer short study tours, or the option to study at an international campus of their own. Most universities offer various forms of financial assistance to students going on exchange. Below are some links to the international study options offered by a number of universities.

STUDENT FUTURES SCHOOL TO WORK TRANSITION PROGRAMS NORTH COAST REGION

GenR8 – Recruitment Strategy for Students Information for Parents and Teachers

GenR8 is implemented, managed and monitored by Training Queensland, North Coast Region. The program is fully supported by the Queensland Trucking Association (QTA), the peak industry association for the trucking industry in Queensland. Employers in this sector have identified GenR8 as the preferred recruitment model for their industry. A number of significant transport, logistics and supply chain (TL&SC) employers across the State are engaging in GenR8 as a workforce development and planning tool to attract and retain a younger workforce, skill for the future and access job-ready candidates to fill current and future job vacancies.

"Engaging across multiple levels of the community is the way of the future of 'growing your own' and meeting the current and future workforce demands faced by the transport, logistics and supply chain industry. These programs are the beginning of building a skilled workforce that will contribute to (the) transport and logistics (industry)..."

Queensland Trucking Association

What is the GenR8 program?

GenR8 is an award winning school to work transition program for Year 12 students wanting to enter the TL&SC industry. The program includes:

- Industry awareness and connectivity
- A nationally recognised qualification
- Industry work placements
- Industry employment opportunities

The program runs over the full Year 12 school year. It combines 20 weeks of structured work placements (1 day per week) in Terms 2 and 3, with a nationally recognised qualification (Certificate II in Logistics), which students undertake with a Registered Training Organisation. The program provides opportunities for Year 12 students to identify employment options and pathways within businesses, whilst gaining a nationally recognised qualification and essential employability skills. At completion of the program, Year 12 students are securing a range of employment opportunities including apprenticeships, traineeships, permanent, part time and casual employment.

What are the benefits to students?

- 20 days work experience with an employer
- Opportunity to complete a nationally recognised qualification
- Opportunity to gain essential employability skills within a real workplace
- Opportunity to gain 4 credit points towards their Queensland Certificate of Education (QCE)
- Have a better understanding of a workplace environment, expectations and the industry
- Possibility of directly entering the workforce at completion of Year 12

How does the program integrate with the school curriculum?

The program directly meets a number of significant National Partnership – Youth Attainment and Transitions (NP-YAT) targets for schools including:

- ✓ **Improving Student Transitions from School**
Real job opportunities for students to transition to at completion of Year 12
- ✓ **Increasing Student Attainment Rates**
Students undertake a Certificate II in Logistics as part of the program
- ✓ **Improving Student Participation and Engagement**
The program is improving student school retention rates and helping students achieve their QCE.

How do I get involved?

5. TAFE at schools

School based traineeships

TAFE Queensland East Coast is part of the TAFE Queensland network, the largest and most experienced provider of vocational education and training in the state. It's a big statement, but one that's backed by research and confirms our impressive track record.

There are three ways to study through TAFE while at school

1 School-based apprenticeship or traineeship

Students gain employment as a school-based apprentice or trainee which combines learning at work, study at a TAFE Queensland East Coast location and at school.

2 TAFE Queensland East Coast partnership with schools

Students study a qualification at high school as part of their senior studies. This could be through TAFE Queensland partnering with a school to deliver programs at the school or the school's teachers actually delivering the TAFE Queensland program.

3 Study at TAFE Queensland

Students attend a TAFE Queensland location one to two days each school week to complete a qualification taught by TAFE Queensland teachers.

GAIN REAL EMPLOYMENT SKILLS RELEVANT TO THE WORKPLACE.

GAIN VALUABLE CREDIT POINTS TOWARDS THE QUEENSLAND CERTIFICATE OF EDUCATION (QCE) AND COMPLETE A CERTIFICATE I, II OR III WHILE STILL AT SCHOOL

RECEIVE DIRECT ENTRY INTO CERTAIN TAFE QUEENSLAND PROGRAMS UPON SUCCESSFUL COMPLETION OF HIGH SCHOOL

TAFE AT SCHOOL
IS A GREAT WAY TO

GAIN CREDITS TOWARDS A HIGHER-LEVEL QUALIFICATION OR UNIVERSITY STUDIES

LEARN FROM QUALIFIED TRAINERS WITH CURRENT INDUSTRY KNOWLEDGE

Fees

A range of qualifications are fee-free for students and covered under Vocation Education In Schools (VETIS) funding. In cases where a small fee applies, schools pay a co-contribution fee towards the student's training. Choosing the most suitable qualification to study is important as students are only able to receive one qualification funded by VETIS.

TAFE Queensland East Coast will outline any costs when the student enrolls and these may vary across locations.

Payment Plans

Payment options may be available, however students under 18 years need a guarantor. Applications are subject to credit checks.

Visit our website for more information on fees tafeeastcoast.edu.au

Outcomes

When the student finishes high school they will receive:

- TAFE Queensland East Coast qualification upon successful completion of an accredited course
- Statement of attainment (where requested) that lists units of study completed in a full qualification
- Credit towards the Queensland Certificate of Education (QCE):
 - > Certificate I, two or three credits (partial completion not recognised)
 - > Certificate II, four credits towards the QCE (partial completion recognised)
 - > Certificate III or IV, five to eight credits towards the QCE depending on the certificate (partial completion recognised).
