FAIR DAY FUN AT GOOD SHEPHERD

All the fun and excitement of a traditional fair is on offer at this year's Shepherd's Fair at Good Shepherd Lutheran College on Saturday 4 August.

The Shepherd's Fair is a much anticipated event on the College's calendar and is an occasion where the College and the local community come together.

Good Shepherd has been holding the Shepherd's Fair every year for almost 20 years, and over this time has gained a significant profile amongst local residents, businesses and the wider community.

With a combination of rides, games, stalls, raffles, Silent Auction and much more, this year's Fair will be sure to attract many visitors once again.

"There will be something for everyone at this year's Fair – no matter the age - it's a great day out for the whole family" says Mr Anthony Dyer, Principal Good Shepherd Lutheran College in Noosaville.

"However, an event like this just would not be possible if it wasn't for a very dedicated group of volunteers from the College's Parents and Friends Association, as well as College parents and staff.

"Apart from the wonderful sense of community an event like this creates, it is also an invaluable fundraising exercise for the College, with all the funds raised going directly to providing additional facilities and resources for our students," says Mr Dyer.

The Shepherd's Fair also relies heavily on the support of local businesses who donate goods and services to support the Fair including donations for the Silent Auction and the Father's Day Raffle.

According to Mr Anthony Dyer, this year the College has been overwhelmed by sponsorship support and he believes this really demonstrates the commitment of the local business community to support the younger generation.

“Even in these difficult economic times we have managed to gain the support of businesses and I think that is a testament to the strength of Noosa’s community spirit and and the value it places on its young people,” Mr Dyer.

The Shepherd’s Fair is open from 10am to 4pm and entry is free.

Ends.
