U10 nail-biter starts top display

■ ANITA ANDERSON

TOUCH: Rain clouds held off long enough last Wednesday for junior games of touch footy to be played in relatively dry conditions.

The U10 girls' match between Ice Angels and Fireballs started the afternoon proceedings with a nail-biter, just one touchdown separating the teams at full-time. Jasmine, Jacinta and Erin all played strongly.

Running Rebels and Tornadoes both showed their attacking abilities in their match, with the Rebels holding on to a narrow win, with Huntah, Zahlee and Ben giving strong performances.

The game between GSLC and Lava Boys also turned into a thriller with the score deadlocked when the siren sounded. Archie, William and Brandon all looked

sharp for their teams.

In the U12 division Speed Demons faced GSLC (boys). Although the GSLC boys never gave up, the defensive display by the Demons was too strong, with Curtis, Zac and Liam leading the way.

Knights had a hard-fought win over with Sunshine Beach boys with a couple of late touchdowns proving the difference.

Levi, Ben and Cade had great games. SBSS (girls) took the points against Angels with Attitude, with Paige, Parker and Jessica all producing first-rate games.

An impressive first-half display proved to be the difference between Foxy Rebels and GSLC.

Even with a stronger showing in the second half from GSLC (girls), the Foxy Rebels held on in a great match. Mia, Iluka and Summer had terrific games.

In U14/16 division GSLC (girls) proved too strong for

Feisty Chicks, with Emily, Ruby and Zoe all putting in mighty efforts.

It was always going to be a tough challenge for new combination Noosa Chicks last week against a SBSS outfit that took every opportunity in their win. Georgia, Jacqueline and Tenay all played well.

Hairy Man came out on top in its encounter with GSLC (boys), with Jack, Tamatoa and Jacob having awesome games. Although trailing at half-time, the NDSHS (boys) made a second-half comeback and was in front by a couple of touchdowns at the final whistle, with James and Noah standing tall for their respective teams.

Noosa Touch would like to thank Joe's Waterhole, at Eumundi, and their patrons for the continued support of our club via the Friday night raffles for the Eumundi Sporting and Youth Club.
