## **Raising Well-behaved Kids** *Teaching kids to be safe, savvy and social*

The **Raising Well-behaved Kids** course will teach you real-life strategies to help you safely raise sociable kids so that they can fulfil their potential.

You'll learn how to:

- ✓ Move **beyond** 'time out' and 'time in' to develop a **broad range** of responses to children's poor or unsociable behaviour.
- ✓ Recognise the purpose of behaviour and importantly, how to **respond** so you put an end to annoying, frustrating behaviours.
- ✓ Get **more cooperation** from your child without always raising your voice, repeating yourself or offering endless bribes and rewards.
- ✓ **Plan** your approach to children's behaviours so that you can achieve lasting **change**.
- ✓ **Better manage** tough nuts, teens and sensitive types that don't fit into usual discipline techniques.

### **How will it work?**

- ✓ You receive a short video with a follow-up activity each weekday – 15 sessions across 3 weeks.
- ✓ Each session (including the follow-up) should only take **15 minutes** of your time. Alternatively, you can complete all your sessions on the weekend if you are busy mid-week.
- ✓ Participate in a live Facebook Q&A each week where you can **ask Michael Grose questions**.
