SCHOOLS TODAY

**Year 12s lead the flock**

Year 12 students from Good Shepherd Lutheran College recently participated in a one-day leadership and team building program, run by Lutheran Youth Queensland (LYQ) at Luther Heights, Coolumb.

The aim of the day was to foster a strong sense of belonging and cohesion within the sen-

ior cohort, as well as to develop a set of strategies to help facilitate a smooth journey through Year 12.

The students enjoyed participating in a number of experiential activities, including a raft-building challenge, and other adventure-based activities, teaching the importance of communication, patience, trust, perseverance, resilience and encouragement.
