

GSLC P & F MEETING MINUTES

Meeting – 9th March 2016, Time 6:30pm, Place: Library

OPENING:

PRESENT: Anthony Dyer, Tim Lambert, Renee Allan, Karen von Homeyer, Ian Suter, Claire Sanders, Deborah Hamilton, Jason Hauser, Tara Clarke, Alison Girt

APOLOGIES: Emma Bostelman, Tracy Stevens and Robyn Gipters

FINANCIAL STATEMENT:

As the audit was held a couple of weeks ago, true financial figures are not available yet. Ian is seeking clarification as to the various accounts on the P&F statement. Suggests renaming some accounts for clarity.

EASTER FESTIVAL Thursday 24th of March:

Hot Cross Buns and butter ordered

Suggestion is next year to do Bun preorders to sell packs of 6 hot cross buns as part of the Easter festival

MOTHERS DAY Sunday 8th of May

2 items to choose from

1. Scented candle
2. Turkish towel

Pricing to be staggered - \$15 for the first item, \$11 for second and subsequent items.

Quantities 300 to be ordered of each with orders being filled first in - best dressed.

P&F to supply heart cards for the kids to address with personal messages.

The stall will be held on Thursday 5th and Friday 6th May.

Require at least three helpers for each day

Thursday – Renee, Robyn, Karen Russell

Friday – Karen v H, Tara, Alison

Please let us know if you are able to assist on those days.

Suggestion for next year is to ask students to select before order is placed so we have exact stock rather than estimating.

AP – Renee to check with suppliers how far in advance we would require order.

P & F Sport:

Initial discussions with Anthony were positive and he is open to the idea. The forum needs to be structured very clearly with lines of communication clearly defined to avoid frustration and confusion.

Next step is for Claire as the instigator and Renee and Karen to set up a meeting with Anthony to discuss structure and terms of reference.

DISCO Friday May 20th

May 20th confirmed

DJ has also been confirmed

P -2 cost \$7. Yrs 3 – 6 cost \$11

Options sought to replace glow products...possibility of glow face paint. Any other suggestions welcome.

Invitations to go out after the holidays

Helpers

Renee, Tara, Ian, Claire, Karen, Tracy, Alana

CINEMA NIGHTS

It was decided to not proceed with the June event on the oval as the cost is too high and caution was expressed about possible cold temperatures.

-Tracy and Robin to advise on other licensing options researched with the option of using the HPE Centre for a 'Winter Solace' movie night.

CLASS REPS

Invitation was approved

Email form to Tim Lambert for distribution.

OTHER FUNDRAISING IDEAS

- The company that does the class photos have offered a special of \$20 for a family portrait. Renee to investigate and get more details
- Summer Ball suggested to be held just before Christmas (suggested date 26th Nov) with a live auction. Alison to investigate and get quotes for the next meeting
- Year 5 students have requested to hold a free-dress day for Sunshine Butterflies. These days are not approved very often and are generally with charities that have a history with GSLC. The kids are to put a submission to Tim Lambert for his consideration.

Any fundraising ideas are very welcome

OTHER GENERAL DISCUSSION:

Wishlist

Anthony has sent out the invitation for submission to the faculty and requested replies by the second week of Term 2

The filtered list will then be submitted to the P&F for consideration

Items from previous years not yet actioned will be rolled over into 2016.

2016 marks the 30th foundation anniversary

Planning for this event will start shortly and will include the digging up of the original time capsule. No further progress to report at this stage.

Playground update

Quotes are still being sought. It has been challenging to find something that is an improvement on the current playground. Students have also been consulted and have agreed that the ideal design/concept has been found yet.

Costs for Grade 3-6 Playground

\$40k for Soft Fall Floor

\$50K for the equipment

Aircon update

As stated at the last meeting, this is an ongoing project. GSLC has budgeted \$80k for the required infrastructure and P&F will be interested in funding some of the units.

Recycling

Ian has requested more recycling be done in the classrooms

Tim Lambert stated that there are recycling stations around the school but that the logistics of emptying the bins is challenging and therefore the system has not been successful.

Anthony commented that this is an area that GSLC should definitely improve in but it needs to be a sensible option.

Peter Pan Musical

Performances will be on July 27th. 4 performances in total, 27th, 28th and two on 29th.

Helpers are required for catering at this event.

NEXT MEETING:

13th of April at 6:30pm in the school library.
